AERIE

Dedication

The Senior Class of 1949 wishes to remember in this yearbook the one who made possible the school they have attended for the past four years. Through his efforts the "Shack" of yesterday became the "Boulevard School" of today. To His Excellency Bishop Francis Gilfillan we dedicate our AERIE. Requiescat in pace.

His Excellency Most Reverend Charles Hubert LeBlond, D.D.
Bishop of St. Joseph

Continuing in the footsteps of his predecessor, Bishop Gilfillan, His Excellency Bishop LeBlond is a stalwart backer of C.B. and all its activities. To him we extend a word of thanks and pray that his years to come in the service of our people will be as fruitful as those past.

Religious Activities

On this page are the priests who minister to the needs of the Brothers and boys at C.B. Father Ruggle is the pastor of Cathedral parish, and both Father McQuinn and Father Quinn are assistants at St. Patrick's.

At the Right: Reverend Maurice McQuinn

Reverend John Quinn

Reverend Léo Ruggle

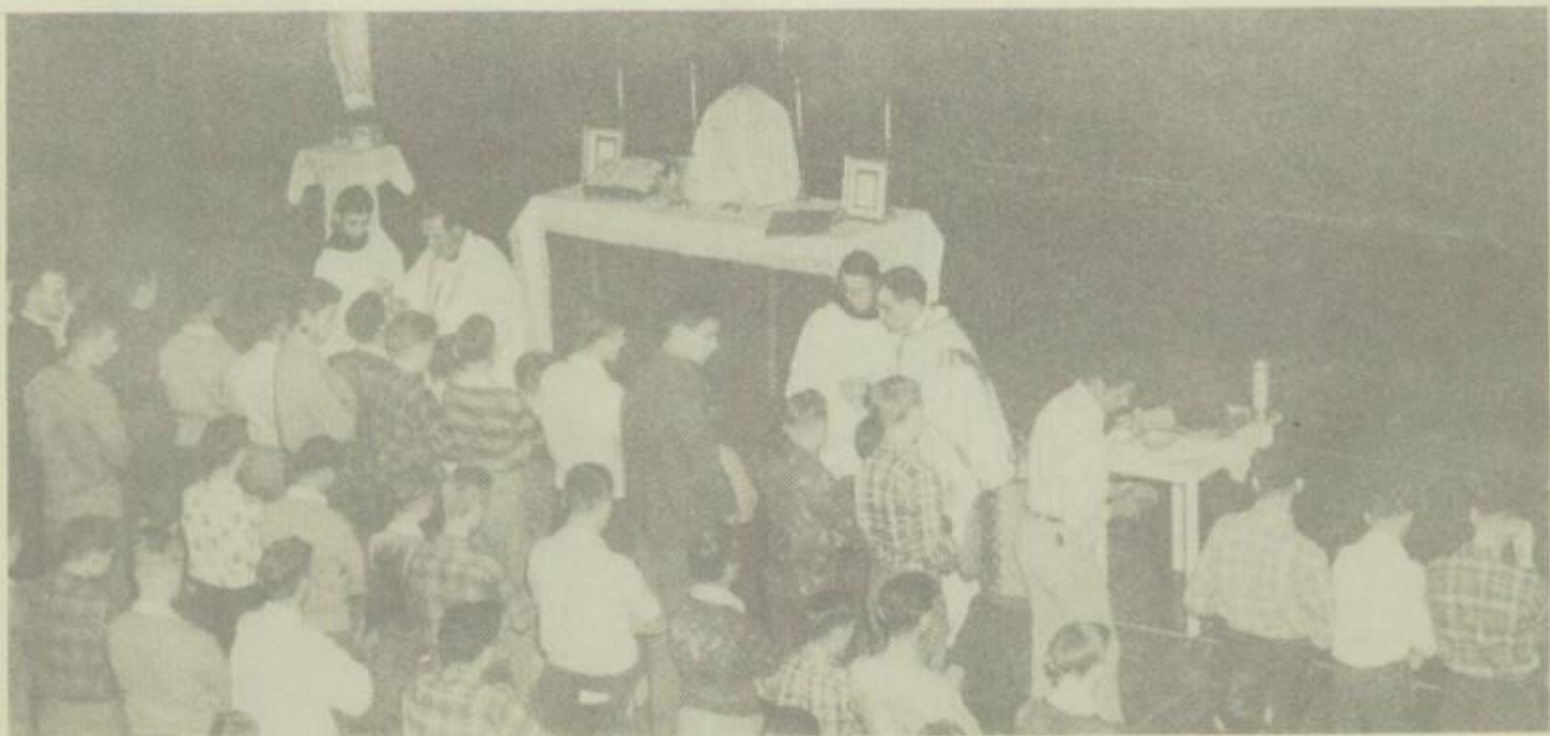

Religious Activities

Most important in the lives of C.B. students is the reception of Holy Communion. Each First Friday of the month, all boys have an opportunity to attend Mass at their parishes. From the 16th to the 25th of each month, a special vocation novena to the Holy Infant Jesus is held in each religion class. The termination of this novena, a special Mass celebrated by different priests of the diocese, takes place in our chapel for the day, the gymnasium.

From November 22 to 24, Father Francis Murphy, C.S.S.R., conducted the annual retreat. Father Murphy had been to many of the Brothers' schools in the Mid-West before his visit to C.B. Yet his impressions of the religious spirit among the boys were very favorable. The high percentage of students that approached the Communion rail on the last day of retreat was the best indication of the beneficial effects of Father Murphy's exhortations. To him we extend our thanks and pray that each year that Communion percentage will approach the maximum. "Come to Me, all ye that labor and are heavily burdened, and I will refresh you."

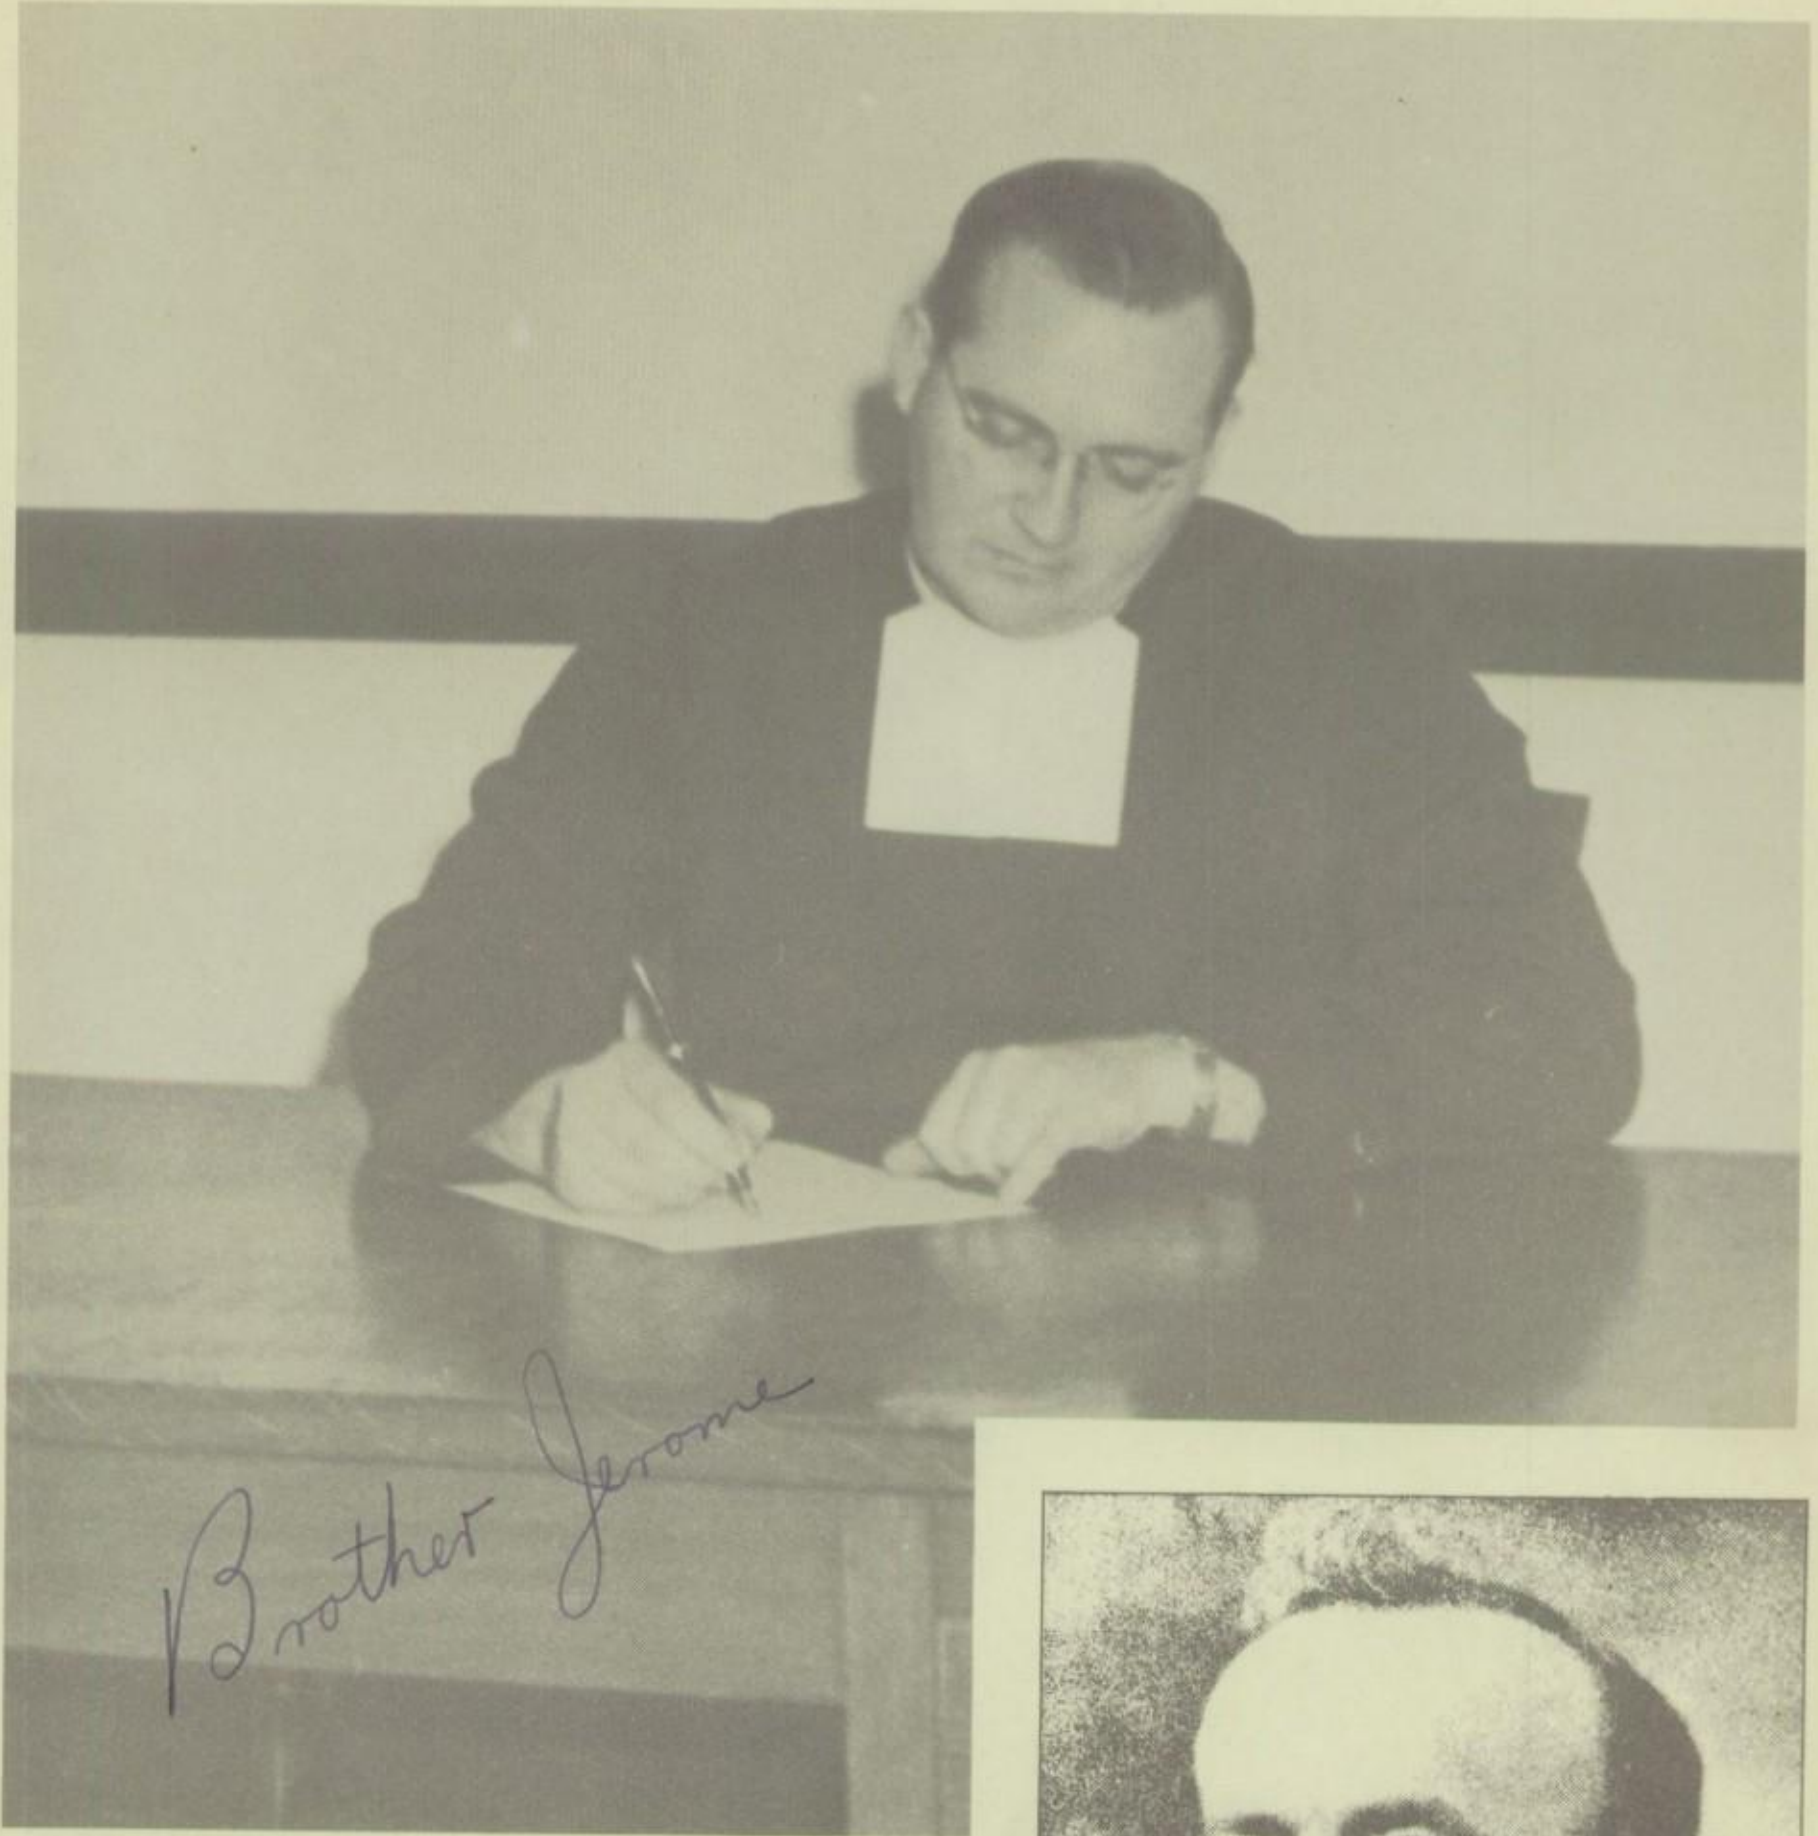

His Excellency Bishop LeBlond, attended by Fathers McQuinn and Quinn, distributes Holy Communion to the student body at the Centennial Mass celebrated at Cathedral last year.

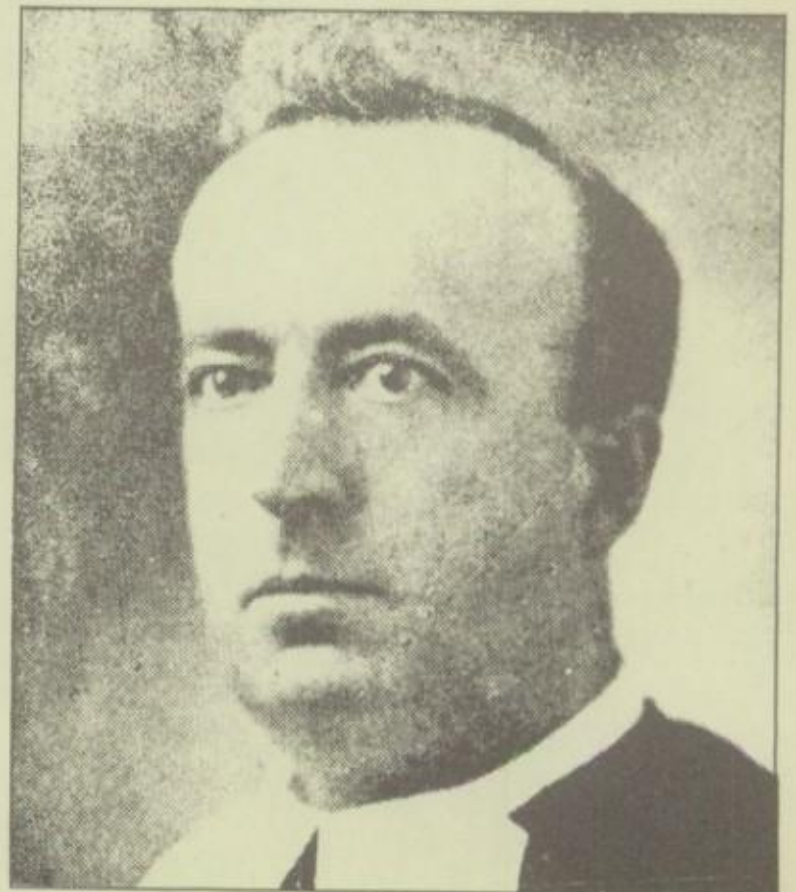

Pictured above are Father Murphy, the retreat master, and Father Schuman on the final day of retreat when practically all the student body received Holy Communion, a fitting climax to a successful renovation.

Administration

Brother Jerome, F.S.C., M.A., Principal of C.B.

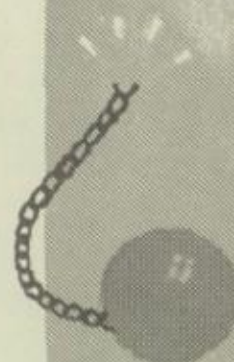

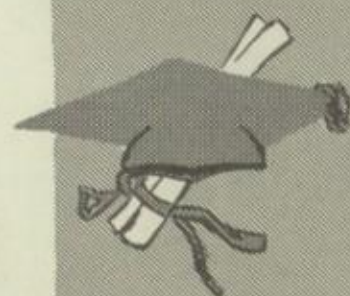

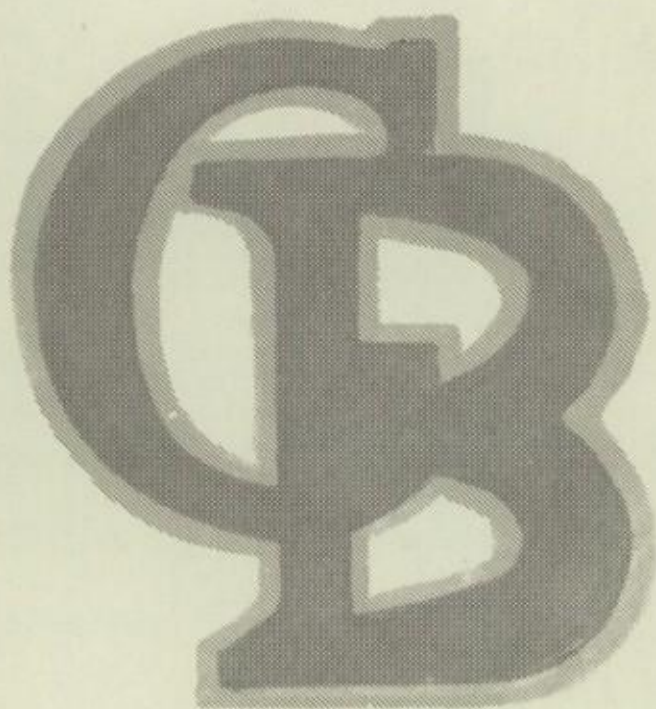

Since his arrival two years ago, Brother Jerome has undertaken many projects for the benefit of the student body. Brother Director takes special pains to see that each boy plans his high school course and makes a judicious choice of a college suited to his needs. "An eye to the future" seems to be Brother Jerome's favorite adage, a very profitable one for all.

At the right is Brother Lambert, F.S.C., administrator of the business office.
